

COPDOCK & OI CC

CLOTHING & CHANGING ROOMS POLICY

All players are required to wear suitable cricket clothing for training and playing.

Changing rooms are for the exclusive use of players involved in the match taking place. No adult is permitted to enter a junior changing room until the match has finished and the changing rooms are empty of all juniors.

No juniors are to enter any adult changing room unless involved in the game taking place and then with the permission of the captain on the day. In the case of mixed teams, separate male and female (or suitable alternative) changing rooms will be provided.

All players are requested to use the changing rooms and are reminded that they are not permitted to change on the ground.
